

As a resident of a local community, KLOVE serves as a great inspiration to me and my family. I also believe that KLOVE provides a public interest by giving our young people a radio station that provides family oriented music and commentary. My teenaged nieces and nephews and I can all agree on KLOVE radio station when deciding what type of music to listen to. I believe that replacing KLOVE with an LPFM station would have a negative impact on our community.
Thank you.
